Oh my apologies, the agenda is for the City Council meeting. And Kristin -- Stephanie had told you that they were just going to vote to continue the item/extend the item?

Good morning all,

I just noted that Parker Center is going to PLUM tomorrow morning at 10am...It's item No. 31. I know that conflicts with LTCC Board meeting. Thoughts on how to split forces?

Kristin,

Thank you again for allowing us to present to LTCC yesterday.

I wanted to make sure you had the file for the Cultural Heritage Commission's application for Parker Center, it is different than the EIR or Civic Center Master Plan.

It is CF 15-0127
